Spencer

New Collection

The pairing of a contemporary square foot with a crystal-clear acrylic bar in Jeffrey Alexander's Spencer collection creates a captivatingly iconic finishing touch on any cabinet or furniture piece it adorns. With three standard pull lengths and a coordinating t-knob available in five fashion-forward finishes, this collection finds the perfect balance between opulence and approachable elegance.

Mix things up and pair Spencer with its sister collection Larkin, available in solid finishes and mixed finishes, to add an edgy touch to this iconically fashionable look.
